### ***Boutique Weddings at our Elegant Tuscan Barn Venue***

*Enjoy the Treman Center's large classic barn and its Italianate courtyards while experiencing one of the Finger Lakes most scenic parks, featuring a spectacular 2.5 mile gorge and dramatic waterfalls right in our backyard. We are only 10 minutes from downtown Ithaca.*

With increased interest in more intimate weddings for smaller gatherings of 20-85 people, we are now offering boutique wedding weekend packages.

The center is yours for full use as a destination weekend from 9 am Friday morning until 2 pm Sunday afternoon. We have found that for couples with family and friends coming in from out of town, having a central gathering place to hold the rehearsal dinner, ceremony, reception and brunch is ideal. There are many ways to stage your event with our vast grounds, courtyards, front terrace, tree flanked alley and the 2 large main floors with fireplaces. The first floor is all stone opening out onto the spacious Tuscan courtyards with water feature. The second floor has a fantastic dance floor with a Steinway piano, great sound and perfect for a seated dinner. Music can be played until 11 pm. There is a bridal bedroom suite on the third floor (not for large assembly) for the marital couple to stay in for the weekend and a charming dressing area with mirrors for the bridal party women to get ready with a hair/make up artist if desired. The place is sustainably built with heat/AC on all three floors and a large stage in kitchen for caterers. *You are responsible for your food/bar/dinner settings.*
